COFA makes donations to both political parties based on what is best for our industry, agencies, and policyholders. We appreciate that you entrust us with the ability to make these decisions. If you absolutely feel strongly enough that you only want your contribution to go to one party or the other, you may make designated party contributions to other PCs which have been established for this purpose. Please email communications@agentscommittee.org for further information.

Thank you for your support...we ARE making a difference!
